Noboribetsu Marine Park Nixe

NOBORIBETSU MARINE PARK NIXE

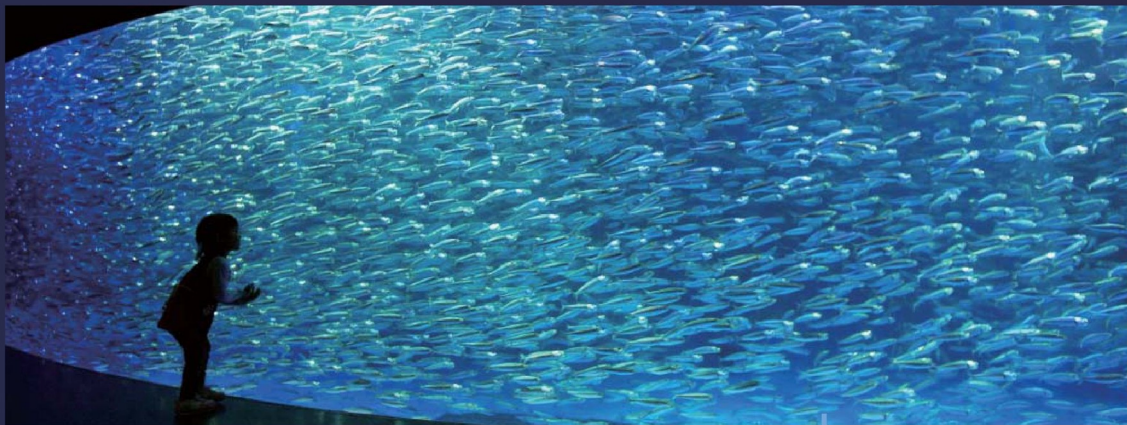

Popular jelly fish and other precious fishes welcome you to the Castle Nixe and enter the aquarium.

Experience Pool allow you to encounter rare sea life along with other reptilian and amphibian.

Seals swim in the ring pool as if flying! Hope you are relaxed by watching them!

Shiny Sardines and waves of Sharks as if stars in the Galaxy. Please enjoy our Event with light and sound effects.

"Goldfish Kaleidoscope" is a huge kaleidoscopic space where you feel like being in a magical world of colorful and glittering goldfish swimming reflected in mirrors.

Enter the warm current and cold current tunnels give you a sense of walking undersea. Fish of all kinds swim elegantly above and in front of you, please watch and enjoy.

At the entrance of the Nixe Castle, an eight meters height crystal tower was made and filled with Napoleon fish and other colorful fish.

The largest tank in Hokkaido exclusively for jelly fish, creates a relaxing world.
